Kartell Mini Planet LED Portable Lamp

The newest addition to the **Kartell Planet Collection**, the Mini Planet Portable Lamp brings the beauty of the range on a small and versatile scale. The LED lamp has a battery that can be recharged, allowing the user to move the lamp to wherever they wish. The Mini Planet also has an integrated dimmer, activated by touching the top, with 3 light settings so you can create the right atmosphere for your space.

The Kartell Mini Planet LED Portable Lamp is available in 3 chic colours: crystal, yellow and smoke, and has a gorgeous geometric aesthetic that makes the light look like a sparkling gem. Use it in many settings, both at home and in commercial spaces, for useful and ambient lighting that is both mesmerising and functional.
