Audo Copenhagen Torso Table Lamp

Designed by Krøyer-Sætter-Larsen exclusively for Audo Copenhagen, the Torso table lamp is designed with contrasts in mind, creating a timeless and graceful aesthetic. The base is made from ceramic, and the lampshade is made from airy linen to produce a seamless combination of solid and lightweight materials.

The Torso table light comes in two finishes, with a sand or black base, which are both paired with an off-white shade, making it perfect for many design schemes and interiors. The sand finish comes in the smaller Size 37, whereas the black finish comes in the larger Size 57. The lampshade also has a touch dimmer on the top for 3 light settings, so you can create the exact ambience you need. A gorgeous table lamp, this light will work in any home or work environment to provide a warm and ambient glow.
