PRODUCT DESCRIPTION

Designer: Michele De Lucchi & Giancarlo Fassina

Artemide Tolomeo Floor Lamp

Artemide Tolomeo Floor Lamp carries the clean, minimalist lines and articulated structure that have defined Tolomeo since 1987. Designed by Michele De Lucchi and Giancarlo Fassina, it combines functionality and aesthetics in a floor format, using an aluminium and steel structure that keeps the lamp light in appearance, but robust in use.

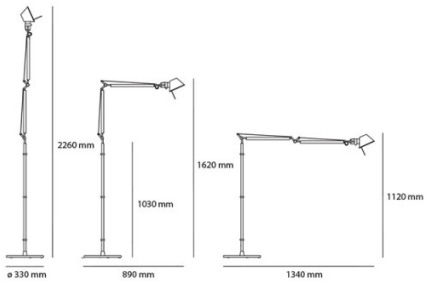

The articulated arm system remains central to the design, using the same spring mechanism that allows the head and arms to be adjusted with notable ease. In both Tolomeo Floor and Tolomeo Micro Floor, the shared body lamp is mounted onto a floor structure that increases the height, while the Micro version reduces the scale for smaller interiors and tighter positions.

Artemide Tolomeo Floor Lamp is available in standard and Micro sizes. The standard version is offered in Aluminium, Black, and White, while the supplied source for Tolomeo Micro Floor lists Aluminium. Across both sizes, the lamp keeps the same precise movement and direct, adjustable light that made Tolomeo one of the most recognised names in contemporary lighting. Best suited for reading corners, lounges, bedrooms, and workspaces where an adjustable floor lamp is needed, with a clear, established design language.

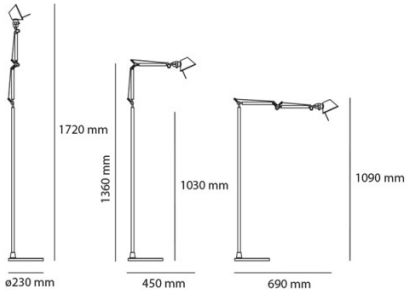

PRODUCT SPECIFICATION

Light Source:	**Tolomeo**: 1 x Max 12W LED E27 (Excluded) **Tolomeo Micro**: 1 x Max 6W LED E14 (Excluded)
IP Code:	20
Dimming:	Integrated on/off switch on the product.
Dimensions:	**Tolomeo:** Height: 162cm Base: Ø33cm Max Extension Height: 226cm **Tolomeo Micro:** Height: 109cm Base: Ø23cm Max Extension Height: 172cm Max Extension Length: 69cm Cable Length: 180cm
