Fabbian Lui Recessed Light

Designed by Pamio Design, the Fabbian Lui Recessed Spotlight has a square shape, which is carefully designed in every detail. The diffuser is crafted from transparent crystal glass, you can choose between either transparent or polished metal finish, depending on how much you want the recessed light to stand out. The Fabbian Lui produces a functional downlight, which is enhanced by the high quality of the glass, creating an intriguing lighting effect on the ceiling.

Fabbian Lui utilises a clean and minimalistic design, adding unobtrusive and functional spotlights to your space. Lui is suitable for a wide range of environments both in the home, the workplace or public interiors - an excellent solution for illuminating hallways, offices, dressing rooms or kitchens.
