Artemide Dioscuri Wall / Ceiling
Light

The Artemide Dioscuri Ceiling/Wall Lamp is a minimalist design by Michele de Lucchi. Available in 4 sizes, the Dioscuri illuminates any interior with simple elegance and harmonious light with its hand-blown opal glass, which gives a smooth, satin finish. This classic Artemide design is ideal for those who prefer subtle style over a bold, striking design. Thanks to the glass finish, the inner illumination is evenly dispersed and can be used in a range of settings.

Artemide's Dioscuri can be installed alone, but the design also provides the ability to create unique clusters using different sizes, creating a statement piece. The Dioscuri 14 offers an IP rating of 44, with the other sizes offering IP65. This means the Artemide Dioscuri 44 is a great choice for bathrooms, and the larger sizes can even be used in external settings. The Dioscuri Ceiling/Wall Lamp is a truly chic choice for any space in your home. The Dioscuri is also available as a [Table Lamp](#).
