PRODUCT DESCRIPTION

Designer: Achille Castiglioni

Flos Parentesi Pendant Light

Named after the parenthesis symbol, the Parentesi suspension light, designed by the renowned Achille Castiglioni, is a stripped-back ceiling-to-floor suspension light providing thoroughly adjustable light emission. Designed in 1971, this simple yet functional lamp provides direct and flexible light.

The Parentesi lamp body is mounted on coloured painted or nickel-plated shaped steel tubes with a light source which moves vertically via sliding on a ceiling-to-floor steel cable (400cm long). This construction allows the Parentesi's light to be fixed at any point and directed as required, making it the perfect companion for tasking or to highlight architectural details.

Available in black, red, white or nickel, and a dimmable or non-dimmable option, two spotlights can be added to the Parentesi for precise light orientation. Please see the [additional elements](#) as well as the required [Parentesi bulb](#).

PRODUCT SPECIFICATION

Light Source:	1 x Max 13W E27 LED (Excluded)
IP Code:	20
Dimming:	Non-Dimmable: Integrated on/off switch on the product. Dimmable: In-line dimmer included on cable.
Dimensions:	Fixture Height: 58cm Base: Ø11cm Maximum Height: 400cm
