### Kartell Cindy Table Lamp

The Kartell Cindy Table Lamp is a typical 70s design by Ferruccio Laviani. With its teardrop-shaped base and conical lampshade in a variety of metallic finishes, this luminaire is a colourful choice for your home. Choose between violet, fuchsia pink, dark gold, blue, gunmetal and platinum; all of which present numerous iridescent reflections. The shiny surface is what adds to the beauty of the Kartell Cindy while giving it that modern kick it needs.

This retro lighting solution is a striking addition to hallways, living rooms, bedrooms and dining spaces. It provides inviting indirect illumination that easily curates cosy pockets of warmth in your interior. Display the Kartell Cindy Table Lamp individually or even in pairs to add an eye-catching burst of colour and contemporary design to your space.
