

Verpan Spiral SP3 Pendant

LA8293SOURCE: <https://www.davidvillagelighting.co.uk/product/Verpan-Spiral-SP3-Pendant/5227>

PRODUCT DESCRIPTION

Designer: Verner Panton

Verpan Spiral SP3 Pendant

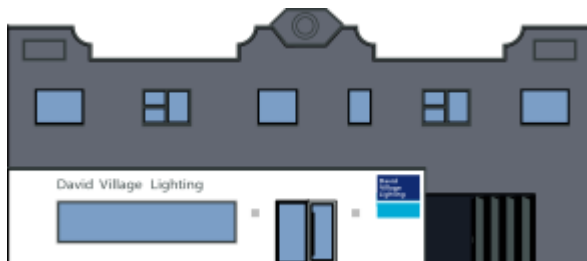

A triple suspension light, with three Spiral pendants hanging from a matching colour ceiling canopy. Each spiral, with varying lengths, is suspended from the canopy with nylon string. This is the largest pendant of the Spiral collection, a true example of Scandinavian lighting infused with Verner Panton's pioneering designs. The SP3 pendant is available in two finishes, gold or silver.

The SP3 is the Spirals triple cluster, but the collection also includes a [single SP1](#) and a [double SP2](#) pendant. All Spiral pendants are ideal for commercial settings as their design, allowing for different effects during daytime and night, creates a warm atmosphere for customers. Of course the Spiral remains a favourite among private settings as well, and you can have the SP3 hanging from any ceiling height as it becomes a part of your home's décor.
