Artemide Cosmic Leaf Floor Lamp

Instantly recognised as one of Ross Lovegrove's designs, the Artemide Cosmic Leaf Floor Lamp harnesses a natural flow as if frozen in time, and resembles the silhouette of a leaf. The choice of material attributes the lamp to an almost digital, if not cosmic, form and adds a unique touch to a range of contemporary interiors. Lovegrove describes this design as "embedded with scales like a reptile or an insect that absorb light and shadow on their body to attract a mate".

Cosmic Leaf is a true work of art, a sculpture that emits direct light, refracted on a leaf-like surface. The result is a unique illumination, guaranteed to make a statement in your space. The Cosmic Leaf Floor Lamp can be utilised in living rooms, dining areas, and entryways living rooms. It can also provide a bold aesthetic to hotels, restaurants and bars.
