PRODUCT DESCRIPTION

Designer: Jørn Utzon

Fritz Hansen Concert Pendant Light

The Concert Pendant Light was designed in 2005 by Jørn Utzon, who was the designer behind the iconic Sydney Opera House. Reminiscent of the architectural triumph, this pendant is made from four steel shades which layer on top of each other with a glass cone diffuser in the centre. The diffuser obscures the light source, producing a warm glow that is directed downwards. The shades also allow for the light to illuminate outwards, spreading the light to fill the room whilst avoiding any glare.

The Fritz Hansen Concert Pendant is stylish and chic, boasting a timeless silhouette which is elegant and contemporary. The pendant light is available in 2 sizes, so you can find the right fit for your space and in either a black or white finish. You can buy one to have as a feature light or buy several to put in a row or cluster to create variety. Suitable for home and commercial spaces, this pendant can be used in a wide variety of interiors.

PRODUCT SPECIFICATION

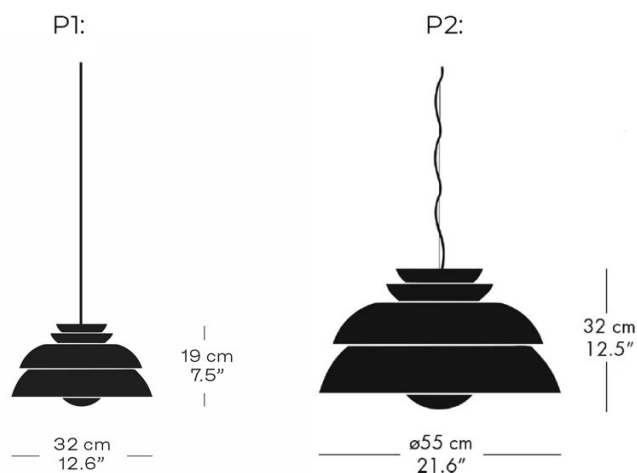

Light Source: **P1:** 1 x Max 75W E27 (Excluded)
P3: 1 x Max 150W E27 (Excluded)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions: **P1:**
 Ø32cm
 Height: 19cm
 Cable Length: 300cm

P3:
 Ø55cm
 Height: 32cm
 Cable Length: 600cm
