Artemide Tolomeo Basculante Floor Lamp

The Artemide Tolomeo Basculante Floor Lamp maintains the clean, minimalistic lines synonymous with the original Tolomeo from 1987. Utilising the iconic spring-balanced arm system, the Basculante strikes the perfect balance between form and function. The movable structure allows the lamp to be easily adjusted to direct light as needed. Crafted from polished aluminium, the Tolomeo Basculante boasts a modern and sophisticated aesthetic while maintaining remarkable lightness and durability.

The Tolomeo Basulante features a lampshade, available in parchment or silk satin, which diffuses light into a soft glow that fills its surroundings with a warm and comfortable atmosphere. The downward-directed light produced makes the Basulante perfect for use as a reading light beside a sofa, desk, or in a reading nook.

The Artemide Tolomeo Basculante is also available with a silk diffuser. Please contact us for more information and pricing.
